## AFGRI Financial Solutions

---

AFGRI Financial Solutions, with a history that tracks back 100 years, provides hire-purchase finance to farming operations countrywide.

We also understand our clients' needs for alternative energy solutions to ensure the sustainability of their operations. This often requires significant upfront investment. AFGRI Financial Solutions offer attractive funding for the implementation of solar energy projects.

AFGRI Financial Solutions has partnered with WesBank to offer funding for solar solutions, promoting renewable energy and addressing the challenges of climate change.

Introducing solar solutions is a wise investment that can yield sustainable supply as well as substantial environmental, economic and social benefits. By supporting the development and adoption of solar energy, we can reduce greenhouse gas emissions, create jobs, enhance energy security, and foster a more sustainable future for generations to come.

# Why AFGRI Financial Solutions?

- » Financing structure offers competitive interest rates and securities.
- » Competitive offering – should a client choose to settle a hire purchase agreement earlier than the original term; this would be allowed without penalties.
- » Fast credit application turnaround times.
- » Benefit from the knowledge, innovation and commitment of a financial market leader with an experienced team.
- » List of approved solar energy suppliers with proven track record.
- » Competitive short term insurance offering
