# AFGRI Insurance Brokers

AFGRI Insurance Brokers has vast knowledge and experience in all aspects of insurance.

Our relationships with all major insurers, along with our ability and experience in being able to view and understand risks in the agricultural sector, provide us with a competitive edge.

We are able to assist clients in identifying potential risks and provide tailor-made solutions to mitigate those risks. We pride ourselves in providing quality service not only to small commercial and industrial clients but also to larger commercial and corporate clients, especially those involved in the agricultural sector. Our ability to issue policy documentation on-site enhances our service offering, a function endorsed by a number of major insurers.

## Products and services include:

- » Crop Insurance
- » Short-term insurance
- » Commercial, industrial, corporate and agriculture insurance
- » Personal lines insurance
- » Medical Aid Solutions
- » Life and credit life insurance
- » Personal financial planning
- » Risk planning
- » Estate planning
- » Wealth creation
- » Administrative/policy management and in house claims handling
